Calling of the Moor

(lyrics & music by Hannah Alkire and Joe Scott, Janjoral Publishing BMI)

I am the one who climbed the mountain
I am the one who battled the sea
I am the one who tamed the thunder
Now I call out to thee
You are the one who brings the dawn
You are the one who calms the sea
You are the one who gives me hope
And your touches set me free

He calls out to me but I bend with the wind
My soul wanders free still he calls me again
His strength it is vast and his hand reaches far
Though my heart sings alone still he calls me again
