## All I Want for Christmas

By Anne Auchenbach, arranged by Acoustic Eidolon

All I want for Christmas is peace  
All I want for Christmas is peace  
Peace that lasts a lifetime for the children of the ages  
All I want for Christmas is peace

All I want for Christmas is joy  
All I want for Christmas is joy  
Joy that comes from music when it heals the war-torn heart  
All I want for Christmas is joy

All I want for Christmas is love  
All I want for Christmas is love  
Love that keeps the promise made to all so long ago  
All I want for Christmas is love  
Peace that lasts a lifetime for the children of the ages  
All I want for Christmas is peace  
Is joy  
Is love
