

You're the Reason That I Sing

(lyrics by Hannah Alkire, music by Joe Scott, Janjoral Publishing/BMI)

Me cantas del cielo
Eres como olas en la mar,
Una cancion viviendo.

Me llamas angel,
Me das la manera de volar,
Cerca de tu corazón

Tu eres mi sueño
Y la razon que canto yo.

*This world, world that I know
Is alive, 'cause you make it so.
And the words, from deep inside
Rise up, bringing the tide
You're the reason that I sing.*

Con musica bailamos
Dedos sobre cuerdas y madera
La lengua de la luna

Tu eres mi sueño
Y la razon que canto yo.

Chorus

Somos un tapiz
Mezclando melodias de la vida
Con ojos abiertos

*Chorus
Chorus*

Translation:

You sing to me of the sky
You are like waves on the sea
A living lovesong

You call me angel
You give me the way to fly
Close to your heart

You are my dream
And the reason why I sing.

With music we dance together
Fingers on strings and wood
The language of the moon

You are my dream
And the reason why I sing.

We are a tapestry
Blending the melodies of life
with eyes open wide
