

Your Peace We Sing

By Tim Foot, Scott Kassner, Hannah Alkire and Joe Scott

It is evening, all is quiet
An offering of love
In the stillness, we are thankful
A gift from above
Come to guide us, sent to teach us, bringing hope, bringing peace,
Now among us, to be like us, so that we could believe

Chorus

*Its the season to be thankful, its the reason for the love
Now a baby born among us
Heaven's promise from above
Through our hardships and our tears, our hearts now we bring
O Your peace we sing.*

Chorus

Son of David, child of Mary
A gift from above
In our weakness and our silence
An offering of love
Come to guide us, sent to teach us, bringing joy, bringing peace
Now among us, to be like us, so that we could believe

Chorus
